

Portland Spirit

Public Cruise

Event Guidelines

PAYMENTS: Reservations are considered tentative until a deposit and signed contract have been received. If the contract and deposit are not received by the due date it will result in cancellation of the reservation. The final payment is due no later than 2 weeks prior to the cruise. Short-term bookings are welcome when space is available. Payment for short-term bookings is due at the time of the reservation. Portland Spirit does not accept individual payments on group discounted reservations. One representative from the group will be the direct contact between the group and Portland Spirit.

Note: December dinner cruise final payments are due November 2.

FINAL GUEST COUNT: The final guest count is due 2 weeks prior to your cruise. This is considered your guest guarantee number, not subject to reduction, and is the minimum number for which you will be charged. If guest attendance is greater than the guarantee number, you will be charged on board for the number in attendance. Seating is not prepared or guaranteed for additional walk-on guests.

Note: December dinner cruise final guest counts are due November 2.

SEATING: Your group's seating location is determined by the Cruise Director on the day of the cruise. Seating requests are not accepted. Groups will be seated together on the same level, at tables next to each other. It is important to let your Sales Representative know if you need assistance for any physically challenged guests.

FOOD AND BEVERAGE: To comply with city and state health and liquor regulations, Portland Spirit does not allow food or beverage to be brought on board. The only exception to this policy is a bakery cake, which requires a cake service fee (\$25.00 up to 50 guests; \$50.00 over 50 guests). This policy also applies to wine and champagne.

SECURITY: Portland Spirit has implemented the following security policies; all passengers 18 years of age and older must present photo identification upon boarding, all carry-on items are subject to inspection, and passengers may be photographed at boarding.
